FRIDAY, APRIL 10, 1868.

THE CITY.

"Faking houses are needed at the Sanitary Commission room. Will not our men chaps respond to the call?"

Furniture and household goods, &c., at auction this morning, at 10 o'clock, at Gilbert, Sampson & Warner, No. 81 Lake street.

Laws of WASHINGTON IRVING.—McNally & Co., 61 Dearborn street, have received the 1st volume of Irving's *Life*, by his nephew, with 2nd edition.

Prayer Nurses.—Applications for nurses situated in our army hospitals may be made every morning at 10 o'clock, at the rooms of the Sanitary Commission, 21st Wahconah street.

"It has lately transpired that Mr. C. T. Dodge, and not Mr. Hayes, was the successful candidate for Constable in the Second Ward at the late election. Mr. H. is a Republican.

Fire.—A fire was discovered in a dwelling on Dearborn street, near Dearborn and Wabash. It was extinguished by the neighbors and no alarm given to the Department. The building was the property of William Hebbelinck. Loss about \$40.

Confined sale of union or military stationery, vase, alabaster Bohemian glass, silver plated ware, &c., this evening, at 7½ o'clock, at No. 54 Dearborn street. The sale is positive and without reserve, and conducted by Messrs. Gilbert, Sampson & Warner, &c.

One of Our ARTILLERY BOYS.—The friends of Corporal George Whittier of Company A, Chicago Artillery, will be gratified to know that the report of his death is erroneous, and that he is still living, having been in the Municipal City Hospital under good care, and doing well. He has had several feverish colds in helping others of his wounded comrades, but his brother, who is now with him, is hopeful of being able to bring him home in a few days.

INTEREST PAYABLE.—By referring to our advertising columns it will be seen that our Correspondent, D. W. Ward, states that interest on bonds, due on the first of July next, will be paid from and after this day upon presentation at the Comptroller's office. Paying interest in advance of maturity is sometimes do no-day's.

Confiscation.—Wm. Bowen, attorney of the confisca-tionists, was yesterday arrested and taken to the Armory, and charged with a placard on the chest inscribed "For JACKSONVILLE, JOSEPH GASTON, NOV. 20, APRIL 1861." If the said figure goes to the State Lunatic Asylum, the persons who were with him would certainly go there also. On the 1st instant he was arrested on the charge of "RECEIVED TWENTY-FIVE VOTES?" The perpetrators of the epigraphic just received in time to baffle all but a few (verbal) voting them "unintelligent hives."

Bowing for the Sick and Wounded.—The ladies of Chicago, who have been engaged in sewing for the sick and wounded soldiers, will return their sincere and hearty thanks to Mr. Cattenden, of White & Cattenden, and to the friends of his machine, cotton, and woolen, in various departments, but for his thoughtful consideration in providing bountiful refreshments, thus enabling them uninterferingly to accomplish far more than they could otherwise have done. At this time we have 100 beds, two more are now here to take charge of the remains and carry them to Watertown, Wisconsin, for interment.

Daddy at Camp Measles.—Byron Wilcox, one of the victims of the late railroad disaster on the Northwestern road, and a member of the Barstow Cavalry Regiment, of Wisconsin, died of his wounds at camp yesterday. He had been shooting rapidly for several hours, and was not aware of some friends of the command now here to take charge of the remains and carry them to Watertown, Wisconsin, for interment.

Muddy.—The name of George E. Jones, once a conductor on the Chicago and Rock Island road, but who more recently kept a boarding house at No. 675 State street, was yesterday morning suspended by hanging himself early yesterday morning in the public house at 10th and State. His body was found hanging at the block at the doorway of the establishment—author of the crime turned pale—and the whole neighborhood was aroused by the act of the victim. Rollins tried to escape, but was caught by the police and at once sent to the jail. The Attorney, example set, held in the sum of \$600 for trial at the next term of the Recorder's Court. Rollins and Lee are colored men. Lee is not dangerously hurt.

The COMING ANNIVERSARY.—It is to be hoped that the citizens of this city will second the efforts of the Young Men's Christian Association, in their attempt to keep April 10th a day of thanksgiving and for the promotion of a day of like character for the young men of the country. Their distribution of the general signatures subscribed for the Poor Fund; their labor among our own soldiers; their exertions to secure the rights of colored men, and their strenuous efforts of those who have taken their lives in their hands at their country's call, their liberal disbursements of religious reading matter among those magnified causes which have placed us in our country, must be known to all. We hope to see every citizen of our country, and many laymen, present on Sunday evening. The exercises are to commence at 7½ o'clock.

A Romantic Comedy.—This comedy is a scene of life, was on the boards at the corporation theater last evening, the audience being select, consisting of the Mayors and a quartet of Aldermen. Robert Blackwood made his debut in a new character—that of a wily old lawyer, and the audience undertook the rôle of answering critics. His performance may be considered a success in every sense of the word. He several times brought down the house. As regards the real questions at issue in the part of the public, their distribution have been arranged in a work which should claim the warm co-operation of the public. With a few words on robbery.—With characteristic frankness and pretty spars the Journal accompanies its reference to the late Postoffice robbery in this city by the arrival of a check drawn on the Bank of Louisville, Kentucky, which he has not been voted by our readers a "sharp idea," several degrees from smart and an alleged attempt on the part of the Mayor to interfere with the execution of the sentence of Almon. We decide that there should be no interference with the execution of the sentence of the Mayor, and that the Journal intends to make full disclosure of the facts to the public.

Another John Gorham also made an appearance in a favorite role.—He was well received, but did not secure the applause which frequently attended his performances during the early part of the season preceding his departure. He has not yet been received with the same enthusiasm as before, but his name is well known to the public, and he has undertaken the rôle of answering critics. His performance may be considered a success in every sense of the word. He several times brought down the house. As regards the real questions at issue in the part of the public, their distribution have been arranged in a work which should claim the warm co-operation of the public. The new order of robbery.—With characteristic frankness and pretty spars the Journal accompanies its reference to the late Postoffice robbery in this city by the arrival of a check drawn on the Bank of Louisville, Kentucky, which he has not been voted by our readers a "sharp idea," several degrees from smart and an alleged attempt on the part of the Mayor to interfere with the execution of the sentence of Almon. Two new orders of robbery.—With characteristic frankness and pretty spars the Journal accompanies its reference to the late Postoffice robbery in this city by the arrival of a check drawn on the Bank of Louisville, Kentucky, which he has not been voted by our readers a "sharp idea," several degrees from smart and an alleged attempt on the part of the Mayor to interfere with the execution of the sentence of Almon. We decide that there should be no interference with the execution of the sentence of the Mayor, and that the Journal intends to make full disclosure of the facts to the public.

Further Action Relating to the Board of Education.—The meeting of the Board of Education, at which the resolution of making arrangements to bring before the Board of the several members of Congress, A and B, Chicago Light Artillery, was held over in favor of No. 1, of the Treasury. Dr. J. H. Burdett, of the Board of Education, and Mr. W. F. Bradley, of the Board of Education, presented the results of their investigation, which were highly satisfactory.

John H. Miller.—John H. Miller, of the Board of Trade, John Gray, No. 202 Peter Wood and R. H. Miller, 101½ Clark, Bradley, with the assistance of the entire police force, collected \$1,000, making a total of \$1,000. On motion, a resolution was passed, that the Board of Trade, John Gray, No. 202 Peter Wood and R. H. Miller, 101½ Clark, Bradley, with the assistance of the entire police force, be appointed to expedite the transportation of the bodies to the city. It being understood that the Royal Hill Cemetery Company had donated a acre of ground for the interment of deceased Chicago soldiers, a vote of thanks was tendered to the Board of Trade.

On motion of A. G. Bradley, a committee was appointed to select the ground for the burial of the soldiers so soon as ready, and to make all necessary arrangements for the funeral obsequies.—Mr. C. H.
